ADDENDUM

Department of Catholic Schools of the Archdiocese of Portland

Parent Association

The Department of Catholic Schools highly recommends that each school in the Archdiocese form a Parent Association to promote parental support for the school programs, increase mutual understanding between school and parents, and reduce obstacles to effective communication.

A parent organization associated with an Archdiocesan elementary school should comply with these general norms:

• It will have no legal status apart from the school, and therefore, will not be separately incorporated;
• It will function in accordance with a written constitution that complies with all current provisions of Archdiocesan and local policy governing the structure and operation of such an organization;
• Recommendations and actions of the organization are subject to all Archdiocesan school regulations and policies as established by the Archdiocese, and executed by the Department of Catholic Schools;
• The Parent Association is accountable to the principal.
